

NeuroSeries 2026

Neurology & Brain Health Conference

February 18, 2026

Virtual (Zoom Webinar)

CET (Time Zone)

Organised By Elanva Private Limited

International Debates & Global Experts Speakers

On Demand Access to sessions

Networking & Digital Sessions

~ Chaired by:

Manolo E Beelke

Chief Medical Officer, AgoneX, Germany

<https://neuroseriesconference.com/>

What Makes NeuroSeries 2026 Unique

A New Way to Do Science

- Not a Traditional Conference
- No slide-heavy lectures
- Every session designed as a moderated scientific debate
- Experts take Pro vs Contra positions
- Evidence-based disagreement encouraged

Podcast Inspired Scientific Dialogues

- Live-recorded debate sessions
- Conversational, unscripted expert exchange
- Audience observes how scientists think, not just what they present
- Some sessions later released as on-demand discussion content

Controversial & Forward-Looking Topics

- Is the amyloid hypothesis dead—or incomplete?
- Do neurodegenerative diseases begin in the gut?
- Can metabolic drugs reshape neurology?
- Is histology still king in glioma treatment?
- We debate what others avoid.

Global, Cross-Disciplinary Faculty

- Clinicians, neuroscientists, microbiome experts, biotech leaders
- Faculty from Europe, Asia, and beyond
- Cross-talk between neurology, immunology, microbiology & metabolism

This Conference Is For You If You:

- Question established neurological models
- Enjoy structured scientific debate
- Want exposure to emerging hypotheses
- Prefer discussion over monologues

Joining the Webinar

- A Zoom meeting link will be shared by the conference team at least 15 days prior to the conference dates.
- Click the Zoom link provided in the email to join the webinar.
- Follow the on-screen instructions to download and install the Zoom application, if prompted.
- Enter the meeting ID and passcode provided in the email, if required.
- Select Join with Audio to enable sound.
- Once you have joined the session, click Start Video to enable your camera.

If Zoom Is Already Installed

- Open the Zoom application on your device.
- Click Join Meeting.
- Enter the meeting ID and passcode shared with you.

Important Notes

- The same Zoom meeting link will be used for all four days of the conference.
- Please follow the final program schedule carefully to join the session on the correct date and time for your presentation.
- If you experience any difficulty or have questions regarding access, please contact the conference team via the Zoom chat box or by email/text.
- Mute / Unmute & Audio Settings
- You may mute or unmute your microphone as needed; the host also has the ability to control participant audio.
- We strongly recommend using a headset or external microphone for optimal sound quality.
- Please turn off all system and notification sounds on your device prior to joining.
- Note: During presentations, all participants will remain muted except for the speaker and session chairs.

Screen Sharing Guidelines

- Speakers will be permitted to share their screen during their presentation.
- Once screen sharing begins, your selected screen or application will be visible to all attendees.
- Please close all unnecessary applications and disable notifications to avoid interruptions.
- Keep your presentation slides open before selecting Share Screen.
- We recommend sharing only the PowerPoint application rather than your entire desktop for a smoother experience.

Presentation Timings

All presentation times listed in the program are according to the Berlin, Germany time zone. Speakers are requested to check the time difference in advance and log in at least 30 minutes prior to their scheduled presentation time.

To convert your local time to Berlin time, please use the following time zone converter: <https://dateful.com/time-zone-converter>

If you require assistance converting your presentation time to your local time zone, please contact the conference team.

Debate-Style Sessions

- Each session follows a structured debate format:
- Pro Speakers: 30-minute presentation
- Contra Speakers: 30-minute presentation
- Audience Discussion: 45 minutes
- (Your questions drive the conversation)
- Final Poll & Wrap-Up: Evaluation of shifts in thinking and delivery of an infographic summary

Chair & Advisory Board

- Manolo E. Beelke, Chief Medical Officer, AgoneX, Germany
- Piper A. Hutson, Lindenwood University, United States of America

Chair: Manolo E Beelke, Chief Medical Officer, AgoneX, Germany

CET	Local Time	
09:00-09:30	09:00-09:30	AV Check and Introduction
09:30-10:00	09:30-10:00	Amedeo Amedei , University of Florence, Italy Pro: ALS begin in the gut — the microbiome is the real driver
10:00-10:30	11:00-11:30	Manolo E Beelke , Chief Medical Officer, AgoneX, Germany Contra: ALS has no single known cause, but rather originates from a complex interaction between genetic and environmental factors.
10:30-11:30	10:30-11:30	Live polls and audience discussion
11:30-12:00	11:30-12:00	Break
12:00-12:30	12:00-12:30	Maria Rescigno , Humanitas University, Italy Pro: AD and PD begin in the gut — the microbiome is the real driver
12:30-13:00	12:30-13:00	Anastasia Bougea , National and Kapodistrian University of Athens, Greece Contra: Microbiome is secondary noise — the brain pathology starts in the CNS
13:00-14:00	13:00-14:00	Live polls and audience discussion

THANK YOU!

Thank you for being part of **NeuroSeries 2026**.

Your participation, insights, and engagement have been essential in shaping meaningful scientific debate and advancing dialogue in neurology.

Until then, thank you for contributing to a community that values curiosity, critical thinking, and collaboration.
